Hell's Gate — Full Century / Metric Century Decision Point

Hell's Gate is located at the intersection of Factory Road and LA 437. Please do not attempt to complete the Full Century ride if you do not arrive at this point by 10:30 am. If you arrive at Hell's Gate after 10:30 you are averaging less than 12 mph and we cannot guarantee the rest stops will be open when you reach them. Please turn right (South) on LA 437 and complete the Metric Century instead.

Please Note

Rest stops are only guaranteed to be open during the times indicated on the map. These times are based on expected minimum average riding speeds as follows:

- 1/4 & Half Century — 8 mph
- Metric Century — 10 mph
- Full Century — 12 mph

Please do not attempt a ride for which you cannot maintain the expected minimum average riding speed.
